校長心語

蕭茵校長

本學年(2019-2020年度)開學至今,學校經歷了不同的挑戰,包括因社會事件而引致的停課、復課,致令課程需要微調外,還有新一屆法團校董會成員、家長教師會及校友會執委成員的人事變更,以及為迎接學校「金禧年(2020)」的一系列校慶活動的籌備工作等等,學校好像要跟時間競賽一樣,一切都為學校帶來無限的挑戰。慶幸我們有天主作為指路明燈,耶穌基督作我們的模範,聖若望主保「以愛還愛,彼此相愛」的芳表,結合家校合作的力量,深信多大的困難或挑戰都會迎刃而解,使學校繼續穩步向前發展。

法團校董會

本人謹代表全體員生,向盡心為本校服務的法團校董會成員送上無限的感謝和祝福。除了對陳惠瑩女士、姚芬女士及葉春燕女士的離任而送上誠意的感謝外,更令我們依依不捨的是高明校監。高校監於2019年12月1日離任,其實他在2014年擔任校監之前,於2012年已開始擔任本校校董,至今已服務學校達七年之久;他對學校無私的貢獻和付出,是難以用筆墨來形容的!在此,讓我們表達對離任的校董們表示無盡的祝福外,也祝願高校監離任後,繼續身心健康泰!平安喜樂!主寵日隆!

家校合作

第六屆家長教師會(2018-2020年度)的新成員組合,除了部分是上一屆連任的媽媽成員外,更喜出望外的是,當中有三位新加入的執委是爸爸成員;由此證明,本校的家長,無論爸爸還是媽媽,亦同樣關心子女的學習及成長。冀望於2019年12月14日(星期六)下午舉行的第六屆校友會周年大會暨執委選舉後,校友們都能像家長一樣積極參與學校活動,為承傳學校的持續發展而出一份力!在此,對上屆或曾為本校服務的家教會及校友會執委成員送上誠意的謝意和祝福!

「金禧年」

學校即將踏入「金禧年」(即50周年),已於2019年12月13日(星期五)在本校禮堂舉行一個簡單而隆重的金禧校慶啓動禮,當天邀請了各持分者代表,包括校董會、葵青區教育分區發展主任、家長教師會及校友會,與我們全體師生,一同迎接及見證學校別具意義的一刻!

祝大家主恩常在、平安喜樂!

Mr. Chan Kai Wa

Hello, everybody! My name is Chan Kai Wa. I am a new teacher in St. John's Catholic Primary School.

I have been teaching English for more than twenty years. I think teaching is interesting and challenging. Teaching English is fun as I can teach students to learn this interesting language. It is also challenging for both the students and teachers because we need some energy and patience to achieve it.

In my free time, I like reading story books, watching films and playing ball games. I love reading English fictions and books about general science. I love watching scientific films especially about space. The Star Trek series is my most favourite one! I also love playing different kinds of sports like badminton, table tennis and swimming.

Don't be shy. Feel free to talk to me in English anytime. Hurrah!

Mr. Hui Tsz Chung

Hello, I am Mr. Hui, the Class Teacher of P.1C. This year, I will be teaching English and IT. Let's have some joyful lessons together!

When I have spare time, I like to talk to my students in English. I think students in SLSJ can all be good English speakers. Don't be afraid to talk to me in English at recess and lunch time!

My favourite sport is football. The player I like most is Cristiano Ronaldo. If you also like football, come and have some little football chat in English!

I hope all my students can learn hard and play hard. I sincerely believe that, together, we can enjoy a lot of memorable time.

Mr. Tsang Chun Fung

Hello everyone. I am Mr Tsang, the class teacher of Class 4B. I am very excited to join the family of Shek Lei St. John's Catholic Primary School! I teach English and General Studies.

In my free time, I like reading books and drawing very much (I'm not good at drawing though). I like learning new things too! I have just started to do karate for a few months. You are welcome to chat with me about your hobbies at recess.

I hope you can achieve your goals. Hopefully we would have a fabulous school year full of fun and learning!

Miss Raana Saba

My name is Raana Saba. This is my 1st year of Teacher Assistant at Shek Lei St. John's Catholic Primary School. I was from Pakistan.

Then I step in Hong Kong, with vision, mission and dreams engraved in my eyes with responsibility on my little shoulders, with passion I had and will achieve much more being affable, amiable, gregarious.

I'm sympathetic, impartial, sincere, diligent, a bit witty as to describe. I enjoy listening to music, travelling, exploring new places and doing social activities.

And I believe our whole life is the process of learning and gaining new useful knowledge. We should always remember that getting a good education is imperative in today's society as it is a foundation of our successful future. Our education is really worth investment. Only if you believe and work hard you can achieve anything.

Mrs. Connie Li

Hello everyone. I am Mrs. Connie Li, the newly appointed part-time NET for P.4 to P.6's English classes. It is my honour to join the St. John's big family.

I have a Master's degree in Science (Multi-disciplinary Studies for International Educators) from the State University of New York, America and a Bachelor degree in Management and Economics from University of Guelph, Canada. I am also a certified TEFL teacher (teaching English as a Foreign Language) in Thailand. My family and I have travelled, studied and worked in many different countries. We just relocated back to HK in August 2018. Because I love working with children, I am ready to contribute my teaching experience and education passion to service the parents and students in Hong Kong again.

With nearly twenty years' experience teaching English and E.S.L, I support multiple-intelligences teaching practices and I love to bring music, games and activities into my classrooms. I plan to have many fun lessons with my students to develop their English listening and speaking skills this year. I work on Tuesdays, Wednesdays and Thursdays. Please feel free to contact me on those days if you have any queries.

宗教傳真

許嘉慧

大家好，我是九月到任的牧民助理許嘉慧 Agnes，你們可以叫我「KK姐姐」。很高興能夠加入石籬聖若望天主教小學這個大家庭。每逢星期日，我也會到柴灣海星堂教小朋友主日學及與堂區青年組織樂隊以歌聲傳揚福音。在我空閒時間或放假時，我喜歡去不同地方旅遊，特別是去當地的聖堂，體驗和欣賞不同國家的宗教文化。

耶穌曾這樣說過：「我是善牧，我認識的羊，我的羊也認識我，正如父認識我，我也認識父一樣。」(若10:14, 15) 這句金句是想告訴大家要以耶穌大哥哥為榜樣，在天父、聖母媽媽和耶穌大哥哥的帶領下一起學習，一起成長，每天都充滿喜樂及平安。

在這個充滿愛的校園中，我深信同學亦會努力實踐學校的校訓：勤、勇、樸、誠，學習如何做一個勤奮用功、做錯事會勇於承擔責任、樸實恭謙及誠信友愛的學生。

最後，期盼在新學年我與大家共同成長，將信、望、愛三德帶給身邊的家人、老師們、同學和朋友，因為大家都是天父的子女。歡迎大家在小息和午膳後到三樓祈禱室找我傾談和玩小遊戲。願全能的聖父、聖子及聖神臨於我們和我們的家庭當中，主佑大家！

Teaching English through puppetry

From last year the usage of puppetry was used as a tool for English language learning. Puppetry is in fact a lot like drama except the performers manipulate puppets and props to perform the story. Puppetry is not as simple as the eye first perceives it, in fact students need to develop many skills and discover their ability to use appropriate teamwork. There is also a lot of hard work and effort that goes into the script, puppets, props, sound effects and rehearsing. The result is an eye catching, fun and entertaining, puppet show!

1. Exploration: Students played and manipulated objects to make them live.
2. Five basic skills: Students learnt about heights and positions, moving the mouth, entering and exiting, maintaining eye contact and staying alive.
3. Reading: Students read a famous fable called 'The Boy Who Cried Wolf'.
4. Innovating: Students were guided to innovate on the story by changing things like the location and the characters.
5. Scribing: Students learnt about the functions and elements of a script by creating one from their innovated idea.
6. Script reading: Students role-played their script so they became familiar with their characters and stage cues.

7. Puppetry and prop making: Students enjoyed being part of the making process and learnt new practical skills such as sewing, using the glue gun, cutting, sticking, tracing etc.
8. Skills application: The students began applying their puppetry skills and script knowledge into the tent theatre.
9. Rehearsing: Once students mastered the ability to maneuver, manipulate and respond to each others' cues then full rehearsals were carried out including back drop changes, prop use and sound effects.
10. Performing: Finally they had a student-made puppet show which they had a lot of ownership over which they could then share with the school! Students felt very proud and enjoyed it very much.

As a teaching tool, puppetry has the power to engage, inspire and boost self-esteem in students as well as provide ample exposure to English language. Puppetry is suitable for all students and enables even the most shy of students to participate as it is the puppets and props that are being viewed, not the students themselves. It is an area which will be explored further in the coming years at our school and hopefully has positive impacts on our students' development.
